

Kidde and Peppa's Terrific Fire Safety Plan

Taking time to create and practice a fire safety plan with your family isn't just fun – it makes sure everyone knows what to do in an emergency so they can stay safe! Follow Kidde and Peppa's checklist to make the perfect plan today!

-  Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
-  Draw a map of your home interior. Show all doors and windows.
-  Visit each room. Find two ways out.
-  All windows and doors should open easily. You should be able to use them to get outside.
-  Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
-  Make sure your house or building number can be seen from the street.
-  Review your plan with everyone in your home.
-  Make sure everyone in your home knows how to dial 911 or your local emergency number.
-  Practice your home fire drill!

Test Your Home Safety Know-How with Kidde and Peppa

Ready to practice home fire safety with Peppa? In each bedroom, circle two alarms (hint: smoke alarm and carbon monoxide alarm), two different exits (hint: door and window) and a fire safety ladder. That way, just like Peppa, you and your family know the fire safety items to include in each bedroom in your home.
